Re: Michelle Day, et al. v United States of America
U.S. District Court Eastern District No. 4:14CV-0342

Dear Judge Baker:

I am working on my calendar early morning on Friday, October 30.

I note that we have a settlement conference deadline of January 29. My office recently took the deposition of three (3) medical care providers at the VA Hospital.

This is a case that I think needs to be settled if possible.

Can you please refer this to the Magistrate for a settlement conference as soon as possible.

We have additional expense that may be necessary if we are not able to settle the case but it seems to be, based on our recent deposition testimony, that we can and should participate in a settlement conference to see if we can resolve this matter by agreement.

If there is anything else I need to do in order to have a settlement conference please do not hesitate to contact me or the lawyer for the government.

The Honorable Kristine Baker
